

What you need to bring **Professional Tree Inspection**

Equipment Required –

- Outdoor clothing – including 'hi-viz' jacket/waistcoat*
- Clipboard
- Pro-forma record sheets (we can provide these if needed)
- Binoculars
- Mallet and probe
- Diameter tape
- Height measuring device (Hypsometer, clinometer, etc.)

Note: * Each learner must have their own set of equipment / PPE.

IMPORTANT: There are both classroom and outdoor elements of this course. Please wear appropriate clothing. Make ensure you have clean shoes for the classroom element of the course and another pair to change into for the outside element of the course.
